Limited

Presiding
Officers**

He shall rule on points of order and, subject to these Rules, shall have complete control of the proceedings of the body concerned and over the maintenance of order at its meetings.

President of the
Council and by
Secretary
General**

to Subcommis-
sions and
Working
Groups**

- b) Generally, no representative should be called to speak a second time on any question except for clarification, until all other representatives desiring to speak have had an opportunity to do so.

Speakers

Rule 36

At plenary meetings, the Chairman of a Committee or Commission may be accorded precedence for the purpose of explaining the conclusions arrived at by the body concerned. In Commission meetings, a similar precedence may be given to the Chairmen of Subcommissions and Working Groups.

Precedence

Rule 37

During the discussion of any matter, and notwithstanding the provisions of Rule 35, a member of the Delegation of a Contracting State may at any time raise a point of order, and the point of order shall be immediately decided by the presiding officer. Any member of a Delegation representing a Contracting State may appeal against the ruling of the presiding officer. The appeal shall be immediately put to vote, and the ruling of the presiding officer shall stand unless over-ruled by a majority of votes cast. A member of a Delegation raising a point of order may speak only on this point, and may not speak on the substance of the matter under discussion before the point was raised.

Points of Order

Rule 38

A presiding officer may, with the approval of the Assembly or of the body concerned, limit the time allowed to each speaker.

Time Limit on Speeches

Rule 39

A motion or amendment shall not be discussed until it has been seconded. Motions and amendments may be presented

Motions and Amendments

and seconded only by members of Delegations of Contracting States.

Rule 40

Withdrawal of Motion

No motion may be withdrawn if an amendment to it is under discussion or has been adopted.

Rule 41

Procedural Motions

Any member of the Delegation of a Contracting State may move at any time the suspension or adjournment of the meeting, the adjournment of the debate on any question, the deferment of discussion of an item, or the closure of the debate on an item. After such a motion has been made and explained by its proposer, only one speaker shall normally be allowed to speak in opposition to it, and no further speeches shall be made in its support before a vote is taken. Additional speeches on such a motion may be allowed at the discretion of the presiding officer, who shall decide the priority of recognition.

Rule 42

Order of Procedural Motions

Subject to the provisions of Rule 37, the following motions shall have priority over all other motions, and shall be taken in the following order:

- a) to suspend the meeting;
- b) to adjourn the meeting;
- c) to adjourn the debate on an item;
- d) to defer the debate on an item;
- e) for closure of the debate on an item.

Rule 43

Reconsideration of Proposal

Re-opening within the same body and at the same session of a debate already completed by a vote on a given item shall require a majority of votes cast. Permission to speak on a motion to re-open shall normally be accorded only to the proposer and to one speaker in opposition, after which it shall be immediately put to vote: when a larger number of speeches is allowed by the presiding officer, priority of recognition shall be given to the leading participants in the debate affected by the motion, or in the sponsorship of or opposition to the proposal that would be affected. Speeches on a motion to re-open shall be limited in content to matters bearing directly

on the justification of re-opening. Discussion of the substance of the question at issue will be in order only if, and after, the motion to re-open prevails.

Rule 43A

- a) No resolution or other form of action involving expenditure not provided for in the budget estimates shall be recommended by a Commission or Committee for approval by the Plenary before the Secretary General presents to such Commission or Committee his estimate of the expenditure involved.
- b) If a Commission or a Committee decides to recommend to the Assembly approval of a proposal of the type described in sub-paragraph a) above, it shall accompany its recommendation with an estimate of expenditure prepared by the Secretary General and it shall inform the Administrative Commission that it is making that recommendation to the Assembly.
- c) No recommendation of a Commission or a Committee which would involve expenditure not provided for in the budget estimates shall be voted by the Assembly until the Administrative Commission has had an opportunity of stating the repercussions of the recommendation upon those budget estimates.

**Proposals
Involving
Expenditure
Outside
Budget
Estimates**

SECTION VIII.—VOTING

Rule 44

- a) At meetings of any body of the Assembly other than bodies of limited membership, each Contracting State represented by an accredited Delegation shall be entitled to one vote, unless the voting power of such State has been suspended by the Assembly under the terms of the Convention. Advisers shall not be entitled to cast a vote on behalf of their Delegations in plenary meetings of the Assembly, but may do so elsewhere.
- b) In meetings of bodies of limited membership each duly appointed member thereof shall be entitled to one vote.
- c) Observers representing non-contracting States or international organizations shall not be entitled to vote.

Voting Rights

Rule 45

**Voting of
Presiding
Officer**

The presiding officer of the Assembly, or of any of its bodies, shall have the right to cast the vote of his State.

Rule 46

**Majority
Required**

Except as otherwise provided in the Convention on International Civil Aviation, decisions shall be by a majority of the votes cast [Convention, Article 48 c)]. An abstention shall not be considered as a vote.

Rule 47

**Method of
Voting**

Voting shall normally be by voice, by show of hands, or by standing, but at the request of any Delegation of a Contracting State there shall be a roll-call, which shall be taken in the English alphabetical order of the names of the Contracting States, beginning with the State whose name is drawn by lot by the presiding officer. The vote of each Delegation participating in a roll-call shall be recorded in the minutes.

Rule 48

Secret Ballot

The vote on any question shall be by secret ballot if the Delegations of two or more Contracting States so request and the request is not opposed. In case of opposition the question whether there shall be a secret ballot shall be decided by a majority of votes cast in secret ballot. The provisions of this Rule shall prevail over those of Rule 47.

Rule 49

**Division of
Motions**

On request of the Delegation of any Contracting State and unless opposed by a majority of those voting, parts of a motion shall be voted on separately. The resulting motion shall then be put to a final vote in its entirety.

Rule 50

**Voting on
Amendments**

Any amendment to a motion shall be voted on before a vote is taken on the motion. When two or more amendments

are moved to a motion, the vote should be taken on them in their order of remoteness to the original motion, commencing with the most remote. The presiding officer shall determine whether a proposed amendment is so related to the motion as to constitute a proper amendment thereto, or whether it must be considered as an alternative or substitute motion; this ruling may be reversed by a majority of votes cast.

Rule 51

Alternative or substitute motions shall, unless the meeting otherwise decides, be put to vote in the order in which they are presented, and after the disposal of the original motion. The presiding officer shall decide whether it is necessary to put such alternative or substitute motions to vote in the light of the vote on the original motions and any amendments thereto; this ruling may be reversed by a majority of votes cast.

**Voting on
Alternative or
Substitute
Motions**

Rule 52

A vote on any motion or amendment shall be postponed upon request of any member of the Delegation of a Contracting State until copies of the motion have been available to all Delegations for at least twenty-four hours. Such postponement may be denied by a majority of votes cast.

**Postponement
of Voting**

Rule 53

In the event of a tie vote, a second vote on the motion concerned shall be taken at the next meeting, unless the body concerned decides that such second vote be taken during the meeting at which the tie vote took place. Unless there is a majority in favour of the motion on this second vote, it shall be considered lost.

Tie Vote

Rule 54

The four-fifths and two-thirds vote of the Assembly required under Articles 93 and 94 a) respectively of the Convention shall be construed as meaning four-fifths and two-thirds of the total number of Contracting States represented at the Assembly and qualified to vote at the time the

**Voting under
Articles 93
and 94 a) of
the Convention**

vote is taken. For the purpose of establishing this total, there shall be excluded from the total number of Contracting States for which Delegations had, at any time either immediately prior to or during the Assembly, filed their credentials:

- a) Contracting States whose Delegations had given notice in writing or otherwise of their withdrawal or departure from the Assembly prior to the time when the vote is taken;
- b) Contracting States whose Delegations' credentials or instructions, filed with the Secretary General, expressly deprive them of the right to vote on the question with respect to which the required majority is being determined; and
- c) Contracting States whose voting power is under suspension at the time the vote is taken.

SECTION IX.—VOTING ON ELECTION OF THE COUNCIL

Rule 55

**Information
List of
Candidates**

Each Contracting State which intends to stand for election to the Council may at any time so inform, in writing, the Secretary General who shall, at the opening of the session, publish a list showing the names of all the States which have so notified him. This list shall serve the purpose of information only. The official notification of candidacy may be given only at the times specified in Rules 57 and 59 and the official lists of candidatures shall be only those specified in Rule 57 b) and 59 b).

Rule 56

**Principle
of Adequate
Representation**

- a) The election of the Council shall be so conducted as to enable adequate representation on the Council to be given to the Contracting States described in Article 50 b) of the Convention and shall be held in three parts as follows:
 - i) The first part — election of States of chief importance in air transport — shall be held within four days of the opening of the session.
 - ii) The second part — election of States not already elected in the first part but which make the largest contribution

to the provision of facilities for international civil air navigation – shall be held immediately after the first part of the election.

- iii) The third part – election of States not elected in either the first or the second part, and whether or not they were candidates in either of those parts, and whose designation will ensure that all the major geographical areas of the world are represented on the Council – shall be held as soon as possible after the expiry of twenty-four hours following the publication of the list of candidates mentioned in Rule 59 b).
- b) As early as possible after the opening of the session, the Assembly shall fix the maximum number of Contracting States to be elected in each part of the election and fix also the day on which the first two parts of the election shall be held.

Rule 57

- a) Each Contracting State which desires to stand for election in either the first or the second part shall so notify the Secretary General in writing during the period of forty-eight hours following the opening of the session.
- b) At the end of the period of forty-eight hours mentioned above, the Secretary General shall publish a list of the States which have notified him, in accordance with paragraph a) above, of their candidacy for the first or the second part of the election.
- c) All States entered in the aforesaid list shall be deemed to be available for consideration for the first part as well as for the second part, if necessary, of the election unless a Contracting State notifies the Secretary General that it does not wish to be considered in the first part or the second part of the election. Accordingly, and subject to the foregoing, any Contracting State included in the said list and not elected in the first part of the election will automatically be included amongst those to be considered in the second part of the election.

**List of
Candidates
for First and
Second Parts
of Election**

Rule 58

After the second part of the election the President of the Assembly shall declare an interval of approximately forty-eight hours specifying the hour at which that interval will expire, in

Interval

order that candidatures may be presented for the third part of the election.

Rule 59

**List of
Candidates
for Third Part
of Election**

- a) Any Contracting State not elected in the first or the second part of the election, and whether or not it was a candidate in either of those parts, shall, if it wishes to be a candidate for the third part, so notify the Secretary General in writing after the commencement, but before the expiry, of the interval mentioned in Rule 58.
- b) A list showing the names of the States which are candidates in accordance with this Rule for the third part of the election shall be published at the end of the aforesaid interval.

Rule 60

Balloting

- a) The election in each of the three parts shall be conducted by secret ballot.
- b) Ballot papers shall be prepared by the Secretary General for each ballot and distributed in advance of the balloting. The ballot papers shall contain the names of all Contracting States which are to be considered for the purpose of the particular ballot concerned and a statement of the maximum number of Contracting States to be elected in that ballot. A Contracting State may vote for any number of candidates up to, but not exceeding, the number of vacancies to be filled by the ballot concerned. An affirmative vote shall be indicated by marking a cross (X) opposite the name of the Contracting State for which the vote is cast.
- c) The Secretary General shall record the names of the Contracting States participating in each ballot.
- d) Any ballot paper shall be rejected if the number of affirmative votes therein exceed the number to be elected in that particular ballot.
- e) The results of each ballot shall be announced by the President of the Assembly.

Rule 61

**Majority
Required**

To be elected a Member of the Council, a Contracting State must receive the affirmative vote of a majority of the total number of Contracting States voting. The deposit of a ballot

shall constitute the act of voting. If the number of Contracting States receiving such majority on any ballot is in excess of the number of places to be filled, those receiving the highest numbers of votes shall be chosen. If the number of Contracting States receiving such majority is less than the number of places to be filled, those which have obtained this majority shall be considered to be elected and there shall be another ballot, and, if necessary, additional ballots to fill the remaining places. In these ballots only those Contracting States which were unsuccessful in obtaining the required majority in the previous ballot shall be considered. Following any such ballot in which no Contracting State receives the required majority, the list of Contracting States in the next ballot shall be restricted to a number not more than twice the number of vacancies to be filled and these Contracting States shall be those which received the highest numbers of votes in the previous ballot. However, in the case where two or more Contracting States are tied for the last place on such a restricted list, such Contracting States shall all be included in the list.

Rule 62

In the event of a tie between two or more Contracting States for the last place or places in a part of the election as described in Rule 56, a further ballot shall be held in which only those thus tied shall be considered. If such a ballot results in another tie, the Contracting State to be eliminated from the list for the next ballot shall be determined by a drawing of lots by the President of the Assembly; and the Contracting State so eliminated shall not be eligible for consideration in any subsequent ballot for election in that part.

**Balloting in
Case of Tie
Vote**

Rule 63

- For an election to fill a vacancy or vacancies on the Council:
- a) the name of any Contracting State desiring to be elected shall be notified in writing to the Secretary General within the forty-eight hours following the opening of the Assembly, and the Secretary General shall, without delay, publish a list of all such names;
 - b) the election shall be held at an early date following such publication;
 - c) the principle concerning adequate representation, specified in Article 50 b) of the Convention, shall apply;

**Election to
Fill a
Vacancy**

- d) the voting shall be by secret ballot;
- e) the provisions of paragraphs b), c) and d) of Rule 60 and those of Rules 61 and 62 shall apply to the election.

SECTION X.—LANGUAGES

Rule 64

Languages of Documentation

All preparatory documentation for or at the Assembly as well as recommendations, resolutions and decisions of the Assembly shall be prepared and circulated in the English, French, Russian and Spanish languages.

Rule 65

Languages of Deliberations

The English, French, Russian and Spanish languages may be used in the deliberations of the Assembly and its bodies. Speeches made in any of four languages shall be interpreted into the other three languages, except where such interpretation is dispensed with by common consent.

SECTION XI.—RECORDS OF PROCEEDINGS

Rule 66

Records

Minutes of plenary meetings, of meetings of the Executive Committee and of Commissions shall be distributed as soon as possible after each meeting, in such form as the body concerned may decide.

SECTION XII.—AMENDMENT OF THE RULES OF PROCEDURE
