

Mr. Angshumali Rastogi was appointed Representative of India on the ICAO Council in September 2023.

He has over 25 years of experience in the mobility, transport, and infrastructure development sectors. Mr. Rastogi has vast experience in the Railways and Civil Aviation sectors having held several key posts in the Government of India, dealing with policy formulation and implementation.

In the Ministry of Railways, he was responsible for planning product mix and capacity augmentation for in-house Railway Industrial Units for manufacture of locomotives and coaches for catering to requirements of Suburban, Intercity and Freight operations. In the Ministry of Civil Aviation, he was responsible for negotiations with Foreign Governments on various bilateral and multilateral agreements. During the Covid-19 pandemic, he was responsible for the Vande Bharat mission which facilitated safe repatriation of stranded foreign and Indian nationals. He has served on the Boards of Air India group companies -Air India Express and Alliance Air.

Mr. Rastogi attended an intensive training program on techniques of effective bargaining and negotiations at the London School of Economics. He also developed expertise in strategic analysis and long-term planning at the INSEAD Business School, Singapore. He is a Fellow of the Institution of Mechanical Engineers, London and a Chartered Engineer registered with the Engineering Council, London.

Mr. Rastogi is passionate about the art of bonsai and philately.
