MORE PRAISE FOR

## ICAO STATES TODAY...

70 Years after Chicago

*The publication was well-organized and well-presented, very impressive. We hope to extend our fruitful collaboration to new projects in the near future.*

Bahamas

*A very good initiative as the next generation of aviation professionals are groomed.*

Swaziland

*Very well presented, good description of State facts, and very useful overall information.*

Chile

*It captures the essence of promoting a global aviation community. The publication is a veritable reference point for global aviation news.*

Nigerian Meteorological Agency (NIMET)

*Informative and professionally produced.*

Jordan

*The publication gives a very good overview of the work done and the development in the aviation sector worldwide. It is very valuable to take stock and show to the world what ICAO as the global Organization in aviation has achieved in 70 years.*

Sweden

*The publication is very informative and useful for all involved in civil aviation.*

Nepal

*We find this publication very interesting and very useful information. We would once again like to thank you for a very nice presentation of our country.*
