# 2018 QUALITY OF LIVING RANKING

## Trends in Global Quality of Living: Top 10 Cities vs. Bottom 10 Cities

Western European cities continue to surpass the rest of the world when it comes to expatriate quality of living, by taking 8 of the top spots in Mercer's annual ranking. On the other end of the spectrum, developing, unsafe, and war-torn cities in the bottom of the ranking.

# Is Vienna a Rising Star as a Startup Hub?

Every fifth founder starts their business abroad. The Startup Heatmap Europe asked 700 founders about their experience and views on startup hubs. Vienna is one of the potential rising stars.
